ABOUT THE DOMAINE

Founders Dan Kosta and Michael Browne started out with humble beginnings while working together in a local restaurant in 1997. Full of passion, Michael developed relationships with key growers in Northern California, while Dan along with the help of a third partner, Chris Costello, worked to market and sell the wines. Kosta Browne has a commitment to embrace innovation, and to push boundaries. The winery use unconventional approaches in the cellar to make irresistible wines with a sense of place.

WINEMAKING

The Sonoma Coast is the largest appellation in Sonoma County, strongly influenced by its proximity to the ocean and heavy rainfall—producing more than twice the annual amount of its inland neighbours. Fermentation occurs in 81% stainless steel, 11% wood, 8% concrete, 1% whole cluster. This wine has been aged in 38% new French oak for 15 months, 11% wood cask for 15 months and 1% new Austrian oak for 15 months.

TASTING NOTES

A compilation of ripe, red and blue fruit ignites the senses with slight undertones of forest rain. Soft and smooth on the palate with pure electric dark berry flavours and deep, unified tannins add volume to a refined finish.
