ABOUT THE DOMAINE

Elizabeth Spencer, set in the heart of Napa Valley, Rutherford Cross Estate was founded in 1998 by husband-and-wife team, Spencer Graham and Elizabeth Pressler. Elizabeth Spencer have cultivated strong relationships with an important network of outstanding and prestigious vineyard growers. These relationships facilitate the opportunity to farm and produce a multitude of wines from almost every AVA in Napa Valley, sourcing vividly fresh fruit for endearingly delicious wines.

WINEMAKING

The fruit is fermented from each of the vineyard sites in individual lots to preserve the unique characteristics of each site. It takes each lot approximately 20 days, at cool temperatures, to go through primary fermentation in stainless steel with time on lees. This method helps us to showcase the layers of exquisite varietal character and terroir in the final blend

TASTING NOTES

The wine is light golden hue in the glass, with aromas of lemon and notes of apricot and white peach. A balanced palate offers fresh citrus fruits on the entry and finishes with layers of stone fruits and green apple. It's well balanced, with minerality, integrated acidity, and a bright finish
