

Mountfield Rosé Reserve Brut

COUNTRY	REGION	GRAPE	VINTAGE
United Kingdom	East Sussex	50% Pinot Noir, 50% Pinot Meunier	2017

ABOUT THE DOMAINE

The Mountfield Estate near Robertsbridge in East Sussex is owned by Simon and Lucinda Fraser, and has been in Lucinda's family since 1850. The 3.5 hectare vineyard with on-site winery and cellar door is a rare example of a boutique fully integrated wine making operation in England. The focus of the estate is quality over quantity and to produce beautifully balanced sparkling wines with a distinct personality.

WINEMAKING

Fermented in stainless steel and held in barrel and tank until bottling in April 2018. The wine was lees aged until disgorging in September 2020, followed by a further 18 months of bottle ageing.

TASTING NOTES

The Rosé Reserve is a very elegant traditional method English sparkling wine that opens up with fresh, vibrant summer fruits and strawberry with a touch of toasted brioche. It has a fine soft mousse and a delicate, but attractive light pink colour, whilst the creamy palate has delicious berry fruit that unravels bruised apple, lemon zest and toasted biscuit flavours leading to a long crisp finish.
