

Peccavi Syrah

COUNTRY	REGION	GRAPE	VINTAGE
Australia	Western Australia	100% Syrah	2020

ABOUT THE DOMAINE

Peccavi is a small boutique vineyard located in Western Australia, in the 'sweet spot' sub-region of the Yallingup ridge, in the north of the Margaret River region. All the Peccavi Wines are estate grown, handpicked, handcrafted and see only the finest French oak. Peccavi is notably one of the first Australian vineyards to have the same new clones being used by the greatest Estates of Bordeaux. The Estates viticulture practices encourage vine roots to dive deep into ancient granite, ultimately concentrating flavours in the fruit and adding natural mineral characters to the finished wines. Today, owner and founder of Peccavi wines, Jeremy Muller, produces wines which offer beautiful structure, balance and aroma complexity throughout a range of whites and reds.

WINEMAKING

Only the most exceptional fruit is handpicked and then meticulously sorted by hand. Fermentation involves a combination of hand plunging and pump over every six hours and after an extended maceration, the wine is matured in the finest French artisanal oak for two years to produce outstanding wine in the Bordeaux style with new world methods.

TASTING NOTES

This Syrah is a modern Rhône-inspired with peppery, spicy aromas of blackberries, dark plum and blueberries. There are hints of fresh chocolate/mocha oak and dried herbs. Underpinned by fine, dusty tannins, it is full bodied, with a lingering core of dark fruit and smoky oak. This wine has fine poise and savoury balance.
