### ABOUT THE DOMAINE

Precision Wine Co. is a collection of wines dreamt up by proprietor and vintner Trevor Sheehan. The name was inspired by the precise attention to detail and commitment to quality; from harvesting the grapes in the vineyards to designing original packaging, every step of the winemaking process is handled with precision. The wines are layered with complex flavours, positioned at affordable prices, and showcase the unique characteristics of California's appellations and regions.

### WINEMAKING

From Lodi region. Aged in 60% New American Oak for 10 months.

### TASTING NOTES

Solidly built Zinfandel and fruity without seeming sweet, this full-bodied wine combines concentrated flavours with a firm structure of fine-grained tannins and supportive acidity. Light oak touches add interest, but the wine's power and appeal come from bold varietal-fruit flavours.
