ABOUT THE DOMAINE

Precision Wine Co. is a collection of wines dreamt up by proprietor and vintner Trevor Sheehan. The name was inspired by the precise attention to detail and commitment to quality; from harvesting the grapes in the vineyards to designing original packaging, every step of the winemaking process is handled with precision. The wines are layered with complex flavours, positioned at affordable prices, and showcase the unique characteristics of California's appellations and regions.

WINEMAKING

All the grapes for this particular vintage were sourced from multiple California growing sites. Harvested by hand in the early morning before the sun is at its peak. Ageing in new oak and neutral barrels.
